Nonprofit Leadership Certificate Program

"This class fills a niche void and was exactly what I hoped existed for nonprofit leaders. The information and professional development were top notch"

Deepen your impact and develop your nonprofit career! Are you a new executive director, manager, or emerging professional looking to enhance your resume and gain both the skill set and resources needed to effectively manage an organization? The Nonprofit Leadership Certificate Program is your answer!

"The Certificate program was a valuable, richly dense, and informative course and an excellent primer for me in my first venture as an executive director."

Working in the nonprofit sector can be challenging. Complicated financials, reliance on fundraising, managing a board ... these are just a few of the core competencies needed to survive and thrive. It is essential to understand the nonprofit business model to do your job effectively. This course is your opportunity to learn from industry experts, explore your leadership style, and develop your management skills. Participants will leave with practical tools and deep connections. This 13-week program will be comprised of 39 total required hours, including 30 hours of core course content and 9 hours of special topic content.

"It's like a mini-MBA for Nonprofits!"

Core Courses

New! Understanding Wall Street and Stock Analysis

Investors have found it difficult to educate themselves in the stock market, even with the flood of literature available to date. In this 7 hours course, **Qiumei Sun**, CFP®, certified financial planner, formerly senior economist of China’s equivalent of Federal Reserve Bank with over 20 years first-hand financial and investment experience, will provide a practical education by combining investment fundamentals and useful analytical techniques to two groups: first, the individuals who know little or nothing about the stock market but have always wanted to understand it; and second, the “experienced” investors who recognizes that there is much more to learn. This course offers asset allocation, securities selection, fundamental and technical analysis of stocks. In addition, how to select your brokerage platform and financial advisor and how to benchmark and evaluate your investment portfolio are included.

All About Reverse Mortgages

10,000 baby-boomers turn 62 every day, making them eligible for a reverse mortgage. 35% of retirees rely entirely on Social Security for their income. But you're not a statistic – you're a senior on a fixed income and you need cash. Two things that you need to know are: a reverse mortgage is not automatically a good deal in every situation; To protect yourself you need to understand the terms and the strategy involved in getting a reverse mortgage. Instructor **Casey Fleming** will help you understand how to protect yourself and make a well-informed decision about your options. Course Text is *The Loan Guide: How to Get the Best Possible Mortgage*. The book retails for \$24.88, and is available on Amazon with almost all 5 star reviews. TRAILS

Peninsula Parks & Trailst

Join instructor and guide **Tom Taber** for a fun and informative course that combines in-class lectures with weekend field trips. Learn about flora, fauna, geology, and history as you discover some of the Peninsula’s interesting scenic parks and trails. Each excursion will involve walking 4.5-6.5 miles in mountainous terrain with frequent stops to examine natural and historical features and to sample tasty treats made from native edible plants. Explore a beautiful oak woodland with lots of wildflowers in Portola Valley; a spectacular ridgetop with lakes and an archaeological site at Skyline Ridge; and redwoods and a beautiful creek at Portola State Park.

This tour requires moderate physical activity. You should be able to hike mountainous terrain and walk up to 6.5 miles. Wear comfortable walking shoes. Layered clothing is recommended. No pets on walking tours.

Lectures: 2 Thurs., 4/4 & 5/2; 7 - 8:30pm.

Fieldtrips: 3 Sat., 4/6, 4/20 & 5/4; 10am-4pm
